

Walk-in Interview

Notification No. CITD/Trg./February/24

Date:- 1st February, 2024

CITD intends to engage suitable candidates in the following posts.

1. Faculty for Electrical Engineering

Essential Qualification:- M.E/M.Tech/B.E./B.Tech in Electrical Engineering or equivalent.

Experience- Should have expertise in imparting technical training in the field of electrical engineering and allied subjects for at least 03 years.

Preferred Age- Below 60 years. **Date of Interview: 17th February, 2024**

2. Faculty for Tool Design & Engineering

Essential Qualification:- M.E./M.Tech/Post Graduate Diploma/Post Diploma in Tool Design with relevant tool design experience.

Experience- Should have expertise in imparting technical training in the field of Tool Design subjects like Metrology, Gauges, Press Tools, Plastic Moulds, Die Casting Dies, Jigs & Fixtures (both theory & practicum) for at least 05 years.

Should have expertise in guiding students to execute their projects.

Preferred Age- Below 60 years. **Date of Interview: 17th February, 2024**

3. Faculty for Mechanical Engineering

Essential Qualification:- M.E/M.Tech/B.E./B.Tech in Mechanical Engineering or its equivalent.

Experience- Should have expertise in imparting technical training in the various mechanical engineering for under graduates and post graduate students for at least 03 years.

Preferred Age- Below 60 years. **Date of Interview: 24th February, 2024**

4. Faculty for Automation Engineering

Essential Qualification:- M.E/M.Tech/B.E./B.Tech in Electronics/Electrical/ Mechatronics or allied discipline/its equivalent.

Experience- Should have expertise in imparting technical training in the field of Automation Engineering subjects (both theory & practicum) for period of at least 03 year.

Preferred Age- Below 60 years. **Date of Interview: 24th February, 2024**

5. Administrative Assistant

Essential Qualification:- Graduate in any stream.

Experience- Should have expertise in handling day to day administration and examination works of any higher educational institute for at least 3 years.

Freshers with proficiency in Word, Excel and Power Point are also encouraged to apply.

Preferred Age- Below 60 years.

Date of Interview: 02nd March, 2024

6. Instructor: Conventional and CNC Machines

Essential Qualification:- Diploma/ITI in Mechanical engineering or equivalent.

Experience- Should have expertise in operating and imparting training on Lathe Machine, Milling Machine, Surface, Cylindrical, Tool & Cutter Grinding Machines for at least 03 years. Should be able to communicate in English & Hindi.

- Should have expertise in conducting informative training sessions in the field of CNC Machine.
- Machine programming steps for various kinds of jobs and metals.
- Critical machine parameters and their effects on final finishing and time.
- Machine configuration, utility, and capability of the machine.

Preferred Age- Below 60 years.

Date of Interview: 02nd March, 2024

7. Faculty for Chemistry

Essential Qualification:- M.Sc in Chemistry

Experience- Should have expertise in handling engineering chemistry and environmental studies subject at undergraduate level for at least 03 years.

Preferred Age- Below 60 years.

Date of Interview: 16th March, 2024

8. Faculty for Mathematics

Essential Qualification:- MA/ M.Sc in Mathematics

Experience- Should have expertise in handling engineering mathematics subject at undergraduate level for at least 03 years.

Preferred Age- Below 60 years.

Date of Interview: 16th March, 2024

*Candidates fulfilling the eligibility criteria may step-in for walk-in interview on the dates mentioned against each position with **latest Resume with photo, original documents & one set self-attested photocopies of all educational, experience certificates and proof of last pay drawn.***

Registration Time: 09:30 a.m. - 12:30 p.m.

N.B.: - No applicants will be entertained after 12:30 p.m.
